

Morgan Stanley  
**Growth Fund**

**Annual Report**  
March 31, 2003

**To our valued Unit Holders,**

We are pleased to present to you the ninth annual report of the Morgan Stanley Growth Fund ("The Fund") for the year ended March 31, 2003.

You will find enclosed detailed results of the Fund for the financial year ended March 31, 2003 along with a commentary from the portfolio manager in which he shares with you his views on the Indian economy and equity markets and factors impacting your Fund's performance.

During the year Securities and Exchange Board of India (SEBI) announced various measures having a positive bearing on the mutual fund industry. The measures covered various areas including valuation of securities, disclosure and investor reporting, enhanced corporate governance, rules for mutual funds relating to trading in derivatives, investments in foreign securities and establishment of an independent risk management function for the Fund. SEBI has actively initiated various steps in improving the efficiency of the settlement practices in the Indian stock exchanges and towards this shortened the settlement cycle to Trade date (T) +2 day effective April 1, 2003. SEBI also mandated straight through processing (STP) for mutual funds effective December 2, 2002 with a view to bring in increased transparency, eliminate manual processes and further align Indian markets with international trading and settlement best practices. We are pleased to report that your Fund was STP ready on December 2, 2002 and was amongst the first funds to establish electronic connectivity enabling electronic exchange of trade information with brokers and custodians. We continue to challenge our service providers to improve service levels with an objective to serve our unit holders in an efficient manner.

We wish to inform you that Barton M. Biggs resigned from the Board of Trustees of the Fund in February 2003. We wish to place on record our appreciation for the guidance and direction provided by Barton Biggs during his tenure as a Trustee of the Fund. Effective April 29, 2003, Rajesh K. Gupta was appointed as a Trustee of the Fund.

As Trustees of the Fund, it is our duty to safeguard the assets of the Fund and to ensure that the Fund is managed in accordance with applicable law and good business practice. To this end, we are pleased to report that over the past year, your Fund and its asset management company have maintained high standards in their reporting and control systems.

We greatly appreciate your participation as a unit holder of the Fund and look forward to your continued support.

Sincerely,

**Ronald E. Robison**  
**Principal Trustee**

April 29, 2003

**Important information**

● **Nomination Facility** is available and individual unit holders desirous of availing the same can contact Karvy Consultants Ltd. at below mentioned address. Nomination Form is also available on the Fund's website [www.msgfindia.com](http://www.msgfindia.com).

● In order to avoid fraudulent encashment of dividend warrants, unit holders are requested to intimate name, address and account number details of their bank to Karvy Consultants Ltd. at below mentioned address.

**Karvy Consultants Limited**

Unit: Morgan Stanley Growth Fund  
21, Avenue 4, Street No. 1, Banjara Hills,  
Hyderabad - 500 034.

Tel: 040 - 2331 2454, 2332 0251

The price and net asset value of the units, and income from them, can go up as well as down with the fluctuations in the market value of its underlying investments. Past performance is no indication of future performance. Investments in securities denominated in foreign currencies, the Indian Rupee equivalent of the net assets, distributions and income may be adversely affected by exchange rate fluctuations.

Please refer to page 13 for investment objective of the fund, liabilities of the Trustees and settlor, statutory details and other risk factor and disclosures.

# PORTFOLIO MANAGER'S LETTER

Dear Unit Holders,

For the year ended March 31, 2003, the total return of the Anley Growth Fund ("The Fund"), based on its net asset value, assuming reinvestment of all dividend payouts, were down by 7.04% over the same period the benchmark indices, Sensex and BSE 100 were down by 12.56% and 12.56% respectively. Since inception in January 1994, the Fund has outperformed the indices as shown in Table 1 below.

Table 1

MSGF NAV Performance v/s Benchmark Indices (March 31, 2003)

PERIOD	MSGF NAV*	Sensex	BSE 100
Last 1 year	-7.04%	-12.56%	-12.56%
Last 3 years	-12.95%	-19.74%	-19.74%
Last 5 years	8.65%	-2.43%	-2.43%
Inception (Jan 94) to March 31, 2003	3.68%	-1.71%	-1.71%

Past performance is no indication of the future performance and may not necessarily provide a basis for comparison with other investments. All returns expressed for the 1 year are compounded annualised returns.

\* Performance of the fund has been calculated based on the assumption that all dividends during the period except for the 1 year have been reinvested in the scheme at the then prevailing NAV.

Equity markets across the world continue to face stiff headwinds due to a combination of factors, ranging from structural economic issues in the world's largest economies to increased geopolitical tensions. Attracting portfolio money in such an environment is even more difficult.

In this regard, it is important to note that reform-based investing, always one of the main drivers of country returns within emerging markets, is regaining some lost importance. Accelerated reform momentum appears to be one of the few ways of breaking away from the pack. Investors are searching for secular growth themes, typically provided by reforming countries, after their love-hate relationship with tech-led sector-oriented investing.

A look at the performance of various emerging markets in the recent past reflects this trend. Russia, Indonesia and Thailand have been some of the best performing emerging markets, with investors impressed by the pace of reform in these countries. In contrast, markets like Brazil were impacted by investor concerns about the country's debt situation. The lack of commitment of the political class to carrying out economic reforms in the Philippines have completely fallen off the investor map.

Interest in the Indian market last year was just a part of a global reform drive. Some more such catalysts will be required to sustain the momentum. India is to relatively outperform within the emerging markets. Relative performance is also required for India to become a significant part of the global portfolio universe. India's share in the global market has been systematically declined over the years and with it.

Hopefully, India will have some reform effort to show that will positively differentiate its equity market in a more discerning environment. Here a lot of microeconomic blocks are falling in place for a bigger India story to materialise. For example, India is emerging as a global hub for Information Technology services. The key is for a few more such globally competitive industries to emerge in scale. Our effort in the portfolio continues to be directed towards searching for these new opportunities.

# AUDITORS' REPORT

To the Board of Trustees of

## MORGAN STANLEY MUTUAL FUND

1. We have audited the Balance Sheet of MORGAN STANLEY MUTUAL FUND - MORGAN STANLEY GROWTH FUND ("The Fund") as at March 31, 2003, and the related Revenue Account for the year ended on that date, both of which we have signed under reference to this report. These financial statements are the responsibility of the Board of Trustees of Morgan Stanley Mutual Fund and the Management of Morgan Stanley Investment Management Private Limited (the "Management"). Our responsibility is to express an opinion on these financial statements based on our audit.
2. We have conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. Our procedures included confirmation of securities owned at March 31, 2003 by correspondence with the custodians and others. An audit also includes assessing the accounting principles used and significant estimates made by the Management as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit. The Balance Sheet and the Revenue Account referred to above are in agreement with the books of account of the Fund.
4. In our opinion and to the best of our information and according to the explanations given to us;
  - (i) The Balance Sheet and the Revenue Account together with the notes thereon give the information required by the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 and amendments thereto, as applicable, and also give respectively a true and fair view of the state of affairs of Morgan Stanley Mutual Fund - Morgan Stanley Growth Fund as at March 31, 2003 and its net surplus for the year ended on that date.
  - (ii) The Balance Sheet as at March 31, 2003, and the Revenue Account for the year ended on that date, together with the notes thereon, have been prepared in all material respects in accordance with the accounting policies and standards specified in the Ninth Schedule of the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 and amendments thereto, as applicable.
  - (iii) The methods used to value;
    - (a) non-traded securities in accordance with the guidelines for valuation of securities for mutual funds dated September 18, 2000 and amendments thereto, as applicable, issued by the Securities and Exchange Board of India (SEBI) and;
    - (b) privately placed equity shares in accordance with the guidelines for valuation of unlisted equity shares from mutual funds dated May 09, 2002 issued by SEBIas at March 31, 2003 as determined by Morgan Stanley Investment Management Private Limited under procedures approved by the Board of Trustees of Morgan Stanley Mutual Fund are fair and reasonable.

## SCHEDULE 9

### Notes to the Financial Statements

#### 1. Organisation

Morgan Stanley Growth Fund ("The Fund") was launched on January 6, 1994 for a period of 15 years from the date of allotment on February 18, 1994. The Fund is a closed ended fund of Morgan Stanley Mutual Fund ("MSMF"), which has been sponsored by Morgan Stanley (formerly Morgan Stanley Dean Witter & Co.), a corporation organised under the laws of the State of Delaware, United States of America. Morgan Stanley Investment Management Private Limited ("MSIMPL"), incorporated under the Companies Act, 1956 of India, has been appointed as the asset management company.

#### 2. Significant Accounting Policies

##### 2.1 Basis of Accounting

The Fund maintains its books of account on an accrual basis. These financial statements have been prepared in accordance with the accounting policies and standards specified in the Ninth Schedule of the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 (the "Regulations") and amendments thereto, as applicable.

##### 2.2 Portfolio Valuation

Investments are stated at market / fair value at the Balance Sheet date / valuation date. In valuing the Fund's investments:-

- (i) Securities listed on a recognised stock exchange, including dematerialised securities, are valued at the last quoted closing price on the principal exchange on which the security is traded. If no sale is reported, the previous quoted price is used, when it is not more than thirty days in case of equity shares and fifteen days in case of debt securities prior to the valuation date.
- (ii) Securities not listed on a recognised stock exchange for which over-the-counter quotations are readily available, are valued at the mean between the last current bid and asked price.
- (iii) Non traded / thinly traded equity securities, including those not traded within thirty days and non-traded / thinly traded debt securities including those not traded within fifteen days prior to the valuation date, are valued at fair value as determined by MSIMPL in accordance with the guidelines for valuation of securities for mutual funds dated September 18, 2000 and amendments thereto, as applicable issued by the Securities and Exchange Board of India (SEBI) and approved by the Board of Trustees.
- (iv) Privately placed securities are valued at fair value as determined by MSIMPL in accordance with the guidelines for valuation of unlisted equity shares for mutual funds dated May 09, 2002 issued by SEBI and approved by the Board of Trustees.

# SCHEDULES

## MORGAN STANLEY MUTUAL FUND - MORGAN STANLEY GROWTH FUND

### Schedules forming part of the Balance Sheet as at March 31, 2003 and the Revenue Account for the year ended March 31, 2003

Debt securities are classified as non performing assets and provision has been made in respect thereof in accordance with the guidelines for identification and provisioning for non performing assets (debt securities) for mutual funds dated September 18, 2000 and amendments thereto, as applicable issued by SEBI.

Following the issue of the guidance note on accounting for investments in the financial statements of mutual funds by the Institute of Chartered Accountants of India (pursuant to the Eleventh Schedule of the Regulations) net unrealized appreciation / (depreciation) in the value of investments is determined separately for each category of investments. Further the change in net unrealised appreciation / (depreciation), if any, between two Balance Sheet dates / valuation dates is recognized in the Revenue Account. Unrealised appreciation is reduced from the distributable income at the time of income distribution. At the end of the financial year, the balance in the Revenue Account including change in the net unrealised appreciation or depreciation in the value of investments is transferred to Revenue Reserve.

#### 2.3 Foreign Currency Translation

The books and records of the Fund are maintained in Indian rupees. Amounts denominated in or expected to settle in foreign currencies are translated into Indian rupees on the following basis.

- (i) Market value of investments, other assets and liabilities at the closing rate of exchange on the Balance Sheet date / valuation date.
- (ii) Purchases and sales of investments, income and expense at the rate of exchange prevailing on the respective date of such transactions.

The Fund does not isolate that portion of the change in investment valuation resulting from changes in the foreign exchange rates from the fluctuations arising from changes in the local market prices of securities held. Such fluctuations are included in unrealised appreciation or depreciation on investments.

Net realised foreign exchange gains and losses arise from sales of foreign currency denominated securities, currency gains or losses realised between trade and settlement dates of foreign currency denominated securities transactions and the difference between the recorded amounts of foreign currency denominated dividends, interest and expenses recorded in the Fund's books and the Indian rupee equivalent amounts actually received or paid. Net unrealised foreign exchange gains and losses arising from changes in value of assets and liabilities denominated in foreign currency resulting from changes in foreign exchange rate are included in net unrealised appreciation or depreciation in value of investments and foreign currency denominated assets and liabilities.

#### 2.4 Securities Transactions

Investment securities transactions are accounted for on a trade date basis. The Fund uses the average cost method for determining the realised gain or loss on sale of investments. Fully paid "Rights" are included in the cost of investments for the purpose of determining realised gains or losses. Accruals for rights entitlements or partly paid rights are not included in the cost of investments for the purpose of determining realised gains or losses.

#### 2.5 Investment Income

Dividend and interest income are recorded on an accrual basis.

#### 2.6 Repurchase of Units

In accordance with the permission granted by the Securities and Exchange Board of India, dated June 23, 1994, the Fund may repurchase units from the secondary market based on prevailing market prices. The discount / premium resulting from repurchases is credited / debited to Unit Premium Reserve.

### 3. Income Taxes

No provision for taxation has been made as the Fund qualifies as a recognised mutual fund under Section 10 (23D) of the Income Tax Act, 1961. For taxes deducted at source from the investment income, which are recoverable, a receivable is recorded in the books of account.

### 4. Investment Management and Advisory Fees

The Fund has paid or provided for investment management and advisory fees payable to MSIMPL for managing the Fund at an annual rate of 1.25% of the average daily net asset value recorded by the Fund up to Rs. 100 crores and at an annual rate of 1% of the excess amount over Rs. 100 crores. All costs, charges and expenses incurred by MSIMPL in the administration and execution of the activities of the Fund, except those costs directly attributable to the Fund, are on their own account for which they receive investment management and advisory fees. JPMorgan Chase Bank provides certain accounting services to the Fund at no cost to the Fund.

### 5. Custodian Fees

Stock Holding Corporation of India Limited ("SHCIL") provided custodial services to the Fund till August 1, 2002 for which custody fee has been paid to them.

Standard Chartered Bank, Mumbai branch provided custodial services to the Fund till August 1, 2002 for foreign currency denominated securities for which custody fee has been paid to them.

JPMorgan Chase Bank provides custodial services to the Fund with effect from August 2, 2002 for which custody fee is payable to them.

# SCHEDULES

## MORGAN STANLEY MUTUAL FUND - MORGAN STANLEY GROWTH FUND

### **Investment Objective**

Morgan Stanley Growth Fund is a closed end Fund with long-term capital appreciation as its investment objective. The Scheme will seek to achieve this objective through investment, primarily in equity and equity-related securities of Indian companies.

### **Statutory Details**

Morgan Stanley Mutual Fund has been set up as a Trust by Morgan Stanley (liability restricted to the seed corpus contributed). The Board of Trustees of Morgan Stanley Mutual Fund have appointed Morgan Stanley Investment Management Private Limited as the asset management company.

### **Risk Factors**

The price and net asset value of the units, and income from them, can go up as well as down with the fluctuations in the market value of its underlying investments. All investments in Mutual funds and securities are subject to market risks and the NAV of the scheme may go up or down depending upon the factors and forces affecting the securities market. The information is not necessarily indicative of future results and may not necessarily provide basis for comparison with other investments. There can be no assurance that the fund's objectives will be achieved. The name of the scheme does not indicate the quality of the scheme, its future prospects or returns. Please read the Offer Document before investing.

On written request and on payment of a nominal fee, present and prospective unit holders/ investors can obtain a copy of the trust deed, the annual report of the Asset Management Company and/or the Fund and the offering circular. Contact: Karvy Consultants Ltd., 21, Avenue 4, Street No. 1, Banjara Hills, Hyderabad - 500 034. Tel: 040 - 2331 2454, 2332 0251
